Connecting to the Wireless Network with Windows Vista

In order to connect to the wireless network at Trinity (TrinAir), you will need to perform the following procedure on your computer. After you have completed these steps once, should be able to easily reconnect in the future.

1. Right click on the network connections icon of the task bar at the bottom right corner of the screen, click “Network and Sharing Center.”

2. Click “Manage wireless networks” at the top left of the window.

3. Click the “Add” Button in the Manage Wireless Networks Window.
4. Click “Manually create a network profile.”

5. Enter “TrinAir” for the network name, select “WPA2-Enterprise” for the security type, ensure that the Encryption type is set to “AES,” and then click next.

6. Click on “Change connection settings.”
7. Click the “Security” Tab at the top of the TrinAir Wireless Network properties window.

8. Click the “settings” button.
9. Uncheck the box next to “Validate server certificate,” uncheck the box next to “Enable Fast Reconnect,” and then click the “Configure” button.

10. Uncheck the box, and then close all of the open dialog boxes by clicking “OK” to each window.

11. Once all of the dialog boxes have been closed a yellow bubble will appear on the bottom right corner of the screen. It will say “Additional information is required to connect to TrinAir. Click to Provide additional information to connect.” Click on that bubble.

*If the bubble does not appear and you are sure all of the settings are correct, turn off the wireless on your computer and then turn it back on. The information bubble should appear.
12. Input your Trinity Christian College login information to authenticate on the wireless network. Make sure you enter “ACADEMIC” for the domain name.

13. You are now successfully connected!

If you are unable to connect to the wireless network or are experiencing problems with any of these steps, please bring your computer to the main Computer Lab in the Classroom Building. A technician will be able to assist you Monday – Friday, during the hours of 8 a.m. – 5 p.m.
