

Trinity Password Reset Portal

To change or reset your existing password, please follow these steps:

1. Access Trinity's password reset portal by navigating to: <https://reset.trnty.edu>
2. Log in with your existing Trinity username and password. Example:
 - Username – ab12345
 - Password – aBCd1234
3. If this is your first time logging in, you will be prompted to select and provide personal answers for 5 unique security questions. If you have logged in before and already answered these questions, you can skip ahead to step #6.
4. Confirm the responses you entered.
5. Click "Continue" if your answers were successfully saved.
6. To change your password, click on the appropriately named "Change Password" link.
7. Enter your desired password in both the "New Password" and "Confirm Password" fields and click "Change Password." The new password must be at least 6 characters long, and not be a commonly used word such as Trinity or Password.
8. Congratulations, your password has been changed. Click "Continue" to get redirected to the Information Technology homepage.
9. If you need further assistance, please contact the IT Helpdesk at (708) 239-4858.

The screenshot shows the login interface for Trinity Christian College's Password Self Service. At the top, the Trinity logo and name are displayed. Below that, the text "Please Log In Password Self Service" is shown. There are two input fields: "Username" and "Current Password". At the bottom, there are three buttons: "Login", "Clear", and "Cancel".

The screenshot shows a page for setting up security questions. It features five rows, each with a dropdown menu labeled "...Please select an item from the list..." and a text input field. At the bottom, there are three buttons: "Save Responses", "Clear", and "Cancel".

The screenshot shows the "Main Menu" for Password Self Service. It lists four options:

Change Password	Change your current password.
Setup Password Responses	Setup your forgotten password responses. These secret questions will allow you to recover your password if you forget it.
Account Information	Information about your password and password policies.
Logout	Logout of the password self service application.

The screenshot shows a "Success" message from Password Self Service. The text reads: "Your password has been changed successfully." At the bottom right, there is a "Continue" button.
